Education

PSL (Paris Sciences et Lettres) Research University **Sept, 2025 – Present**
Master's in Artificial Intelligence & Society *M1 passed with High Honours (Mention bien)*

Chittagong University of Engineering & Technology **2019 – 2024**
Bachelor of Science in Computer Science & Engineering *CGPA: 3.68 / 4.00 (CGPA of last 4 semesters: 3.86)*
U.S. Equivalent: 3.74 / 4.00 (per IEE Evaluation)

Experience

Université Paris Dauphine - PSL **Jan, 2026 – Jun, 2026**
Research Assistant *Paris, France*

- Analyzing readability & user preferences of LLM responses
- Collaboration with the ACSS-PSL institute & Compar:IA (Conversational AI comparator developed by the French Ministry of Culture)

University of Science and Technology Chittagong (USTC) **Mar, 2025 – Aug, 2025**
Junior Lecturer *Chittagong, Bangladesh*

- Taught Discrete Mathematics, Operating Systems Lab & Data Communication courses to undergraduate students
- Designed and delivered the Communication Engineering course for final-year undergraduate students, including syllabus creation, lecture planning, and assessment design.
- Mentored students on technical and academic development

Chattogram Veterinary and Animal Sciences University **Oct, 2024 – Aug, 2025**
Research Assistant *Chittagong, Bangladesh*

- Contributed to "Whole genome sequence analyses of Bangladeshi isolates of Anaplasma marginale and comparison with global strains". Developed the pipeline and identified key genomic variations using Bowtie, BCFTools, Roary, R, etc
- Led basic Linux training sessions for lab members

Bengal Mobile QA Solution **Jan, 2025 – Feb,2025**
Software Engineer (Intern) *Chittagong, Bangladesh*

- Developed backend application using NestJS, MongoDB etc. for a hospital management app

Publications / Talks

What Wins a Vote? Formatting, Length, and Lexical Diversity in the French Compar:IA LLM Arena **arXiv Preprint**
Co-author (2nd) *Oct, 2026*

36th Molecular Parasitology Meeting (MPM XXXVI) **Marine Biological Laboratory,Massachusetts,USA**
Co-author (3rd) of poster *Sept, 2025*

- Poster titled "Whole genome sequence analyses of Bangladeshi isolates of Anaplasma marginale and comparison with global strains at the genomic level".

3rd International Congress on Recent Trends in Computer Science (ICRCS 2024) **Bangladesh**
Keynote Speaker *Dec, 2024*

- Presentation on harnessing Computer Science for a Sustainable Future

Technical Skills

Programming & Data Analysis: Python, R, C/C++, SQL, Scala
Libraries/Tools:

- **Data Processing & Natural Language Processing:** Pandas, NumPy, NLTK, SpaCy
- **Machine Learning & Deep Learning:** Scikit-learn, TensorFlow, Keras, PyTorch
- **Data Visualization:** Matplotlib, Seaborn, Circos
- **Development Tools:** VSCode, Git
- **Package & Environment Management:** Anaconda, uv
- **Operating Systems:** Linux, macOS, Windows

Relevant Coursework

Generative AI, Education & Cognition, Deep Learning, Advanced Programming (Python), Big Data, Social & Behavioral Science, Digital regulation, AI for Social Good, Advanced Econometrics & Causal Inference

Projects

Analyzing user preference of LLM responses | *Python* **2026**

- Analyzing how readability and stylistic features influence user preferences for LLM responses using a Bradley–Terry model to predict pairwise outcomes.

Sentiment Analysis of Industry Attitudes Towards AI | *Python* **2026**

- Analyzed Twitter/X posts across five industries, performing statistical modeling to study AI exposure and negative sentiment.

Multiclass Bengali Audio Hate Speech Classification | *Python* **2024**

- Collected bengali audio data, Developed a machine learning pipeline to classify these data into multiple hate speech categories
- Used XAI (SHAP) for explainability

Awards/Honors

- McKinsey Forward Learner, 2026
- Regional Finalist, Hult Prize 2020-21, Kuala Lumpur, Malaysia
- Finalist, Climate Launchpad 2020, Co-funded by European Union
- Summa Cum Climate graduate, Climate Launchpad 2020, Co-funded by European Union
- Champion, Hult Prize On Campus, CUET

Leadership / Extracurricular

The International Association for Safe & Ethical AI (IASEAI) **February, 2026**
Volunteer *Paris, France*

- Volunteered for the session on "Epistemological challenges of AI" in IASEAI Conference 2026 at UNESCO HQ, Paris, France

Green Lead — Sonali Bioplastics — Embassy of the Netherlands **Apr 22,2024 - Jun 6,2024**
Project Coordinator, Unplastic Bangladesh *Chittagong, Bangladesh*

- Educated 180+ high school students on Climate change and Climate tech, arranged workshops

Banglalink Digital Communications Ltd. **Jul, 2023 - Feb, 2024**
Mentee - Womentor 4.0 *Dhaka, Bangladesh*

- One of the top 10 mentees of the prestigious Banglalink Womentor 4.0 program

IEEE CUET Student Branch Women In Engineering AG **Jun, 2023 – Jun,2024**
General Secretary *Chittagong University of Engineering & Technology*

- Planned technical competitions,seminars, managed sponsors, media & organised national events

IEEE CUET Student Branch Women In Engineering AG **May, 2022 – May, 2023**
Program Co–ordinator *Chittagong University of Engineering & Technology*

BDApps **Mar, 2021 - Mar, 2022**
Campus Ambassador *Dhaka, Bangladesh*

- Generated revenue for app, created service app using BDApps' Lite App, gained 80+ users

Beijing Education Exchange Program **Mar, 2017**
Delegate from Bangladesh *Bangladesh China Foundation*

- Represented Bangladesh, got an exposure to Chinese Education system and culture in this 15 days program
